

15th Annual Honolulu Maintenance Mega Conference

Presentations will include a Director of Maintenance Forum, "Rule Bending", FAA Legal Counsel, OSHA Compliance, and Service Difficulty Reports. A special hour is set aside for HCC Students. 8 hour attendance can be used as basis for IA renewal and all hours attended can be added to your on-line AMT AWARDS for 2012. Register on-line at faasafety.gov or at the door. Conference is free and parking provided at reduced rate.

Directions: Go to the Honolulu International Airport and park in the inter island terminal parking structure. Take the mauka elevators to the 7th floor.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
